

Dear St. John's,

Hello from the Hammer family!

We are you new neighbors and are so excited to make our home at 45 Pleasant Ave.

My name is Miranda, and my husband Jordan and I grew up in Depew where we met in Highschool. Through teenage drama, college transitions, and all that life throws our way we continue to be best friends. We married in July of 2016. We have a daughter, Nora, who was born in 2018. She is super silly and is growing more and more every day.

You might notice our dog, Radler, who is a 100lb American Bulldog mix. He may look (and sound) scary, but once he gets to know you he loves to give kisses and snuggle.

Until the end of June I am the intern/Vicar at Abiding Savior Lutheran Church in North Tonawanda. I will be finishing Seminary this May, and God willing will be called and ordained in 2020!

Jordan works hard every day as an electrician through a small company based out of Hamburg.

Our family is so thankful for the gift that it is to be here to live, dream, and grow.

Yours in Christ,

The Hammer's
