# Pastor's Message

From Pastor Jamie

As far back as I can remember I've had Christmas eve traditions. We would Go to My Aunt and Uncles hose after supper. They always had the best cookies. Then we'd go home get ready and head off to the late night Christmas eve service. Eventually when by bother got a car we added go to Denny's after church to the list of traditions (Its where they go in The Santa Clause). But then I moved to seminary. Living in south central Pennsylvania with Church responsibilities made continuing most of the old traditions hard. We still went to church of course but Olivia and I began our own traditions. Eventually we moved back to Buffalo and started a new tradition, I would make Chili and Olivia and our families would eat together at Church between my early and late services. Once Drake came along there were a whole bunch of new traditions that got added to the chili dinner. You may have noticed that through all those changes one tradition remained the same, going to church. I'm sure many of you have similar stories. That through all the changes that have come along in your life Christmas eve church has been a regular tradition. But this year will be

different. We won't be filling our sanctuary with carols and candles. To be sure we will have service, online and in the parking lot, but it will be different. For me Church on Christmas eve has been home. With that in mind I can't help but think that we will be living into the Christmas story in a new way this year.

*Luke 21-7: In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. This was the first census that took place while Quirinius was governor of Syria.) And everyone went to their own town to register.*

*So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. He went there to register with Mary, who was pledged to be married to him and was expecting a child. While they were there, the time came for the baby to be born, and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no guest room available for them.*

Mary and Joseph packed up and left their home. Mary was of course pregnant and travel in those days was time consuming and difficult. She had to have known she would give birth over the course of the trip. And she knew that the child she was carrying was the son of God. So it was that she and Joseph were away from home waiting for the son of God to arrive. Our Christ-

mas experience will mirror theirs in many ways. Here we are, away from our church home waiting for the Christmas miracle. I don't think it's an accident or happenstance that God picked that moment to send his Son into the world. God picked a time when Mary and Joseph were away from home. I think God did so to make it clear that no matter where we are Jesus is coming. On the road in a manger, Jesus is there, at home participating in church over youtube, Jesus is there, in a parking lot listening to service over the radio Jesus is there.

This year will be different in many ways, so many traditions will take a year off. But Jesus entering our world, our lives never takes a year off. Jesus will find us no matter where we are, travel for a census couldn't stop Jesus and neither will a pandemic. As we prepare for the Christmas miracle know that no earthly event can stop the arrival of Jesus. Jesus will be here soon, prepare the way of the LORD.

Peace,

*Jamie*

## A Message from Council

Hello and welcome to Council Corner,

The end of a calendar year is often a time for reflection of where we are, where we have been and where we are headed and this year is no different. I'm sure you would agree that no one could have predicted the year that was 2020 and all that has transpired since March when our world changed dramatically as we entered into a world-wide pandemic.

Under the leadership and direction of Pastor we have continued to meet on a regular basis to ensure the needs of the church and members were being met with a goal to do everything within our power to keep our congregation safe. While many changes have occurred we continue to have regular worship schedules, confirmation and Sunday school classes have resumed albeit in a different venue and we continue to be blessed with a membership who continues to give and support us during these difficult times.

While it would be easy to focus on what we are missing or what we have lost the Council along with Pastor continue to focus on all we have accomplished and how blessed we are that as we enter 2021 our future remains bright and St. Johns remains open, inviting and alive in Christ!

As we enter the holiday season we give thanks for all we are, all we have been and for all we continue to be as we move forward into 2021.

Wishing each of you a joyous and safe holiday season.

*Congregation council*

# Special Messages

From members of our congregation

People of St Johns: We miss seeing your beautiful smiling faces. Hope we can be together soon. We also hope you are all well and safe. We haven't missed an online service and like the encouraging words Pastor Jamie and Pastor John say to us. This will end. We can do this.

Dear Friends, I am excited and relieved to announce that my first (and probably only) book, "Examining the Evidence: Tough Questions That Ask Why Christians Believe What They Believe," is now available on Amazon. This is a collection of seven sermons, with introductory material to each sermon. The book focuses on the following seven questions: "Does God exist?", "Creation: How Did We Get Here?", "Can the Christian Scriptures Be Trusted?", "Who Is Jesus?", "Is Jesus the Only Savior?", "Did Jesus Really Rise From the Dead?", and "Is There Life After Death?" If interested, enter [Amazon.com/](https://www.amazon.com/)books into your browser. Type my name, Randy Milleville, into the search area. That will take you to the page where you can learn more. 45% of royalties, will go to Lake Chautauqua Lutheran Center (LCLC) and 45% to Zion Lutheran Church, Clarence Center.

-Pastor Randy P. Milleville 14

Several months ago, when we first responded to the Covid 19 Pandemic, we were given some advice: “Don’t obsess about the news. It’ll drive you crazy. Just follow the guidelines, and you’ll be fine; we’ll get through this.” This seemed like good advice, so I followed it. To this, I personally added (or maybe I [finally!] ) listened to others whom I respect, “Keep yourself healthy; exercise; *be more patient* at this time; try to be “*extra kind*” to others; be grateful for all that you have and for all that you are, and for all that you can be; volunteer; PRAY!; keep in touch with friends and loved ones, any way that you can; do everything the local and national leaders suggest or require; PRAY!; try to find a way to help others; RELAX; “clean your heart”, your mind, your ways of dealing with people—make your interactions with others positive; do, and think, and act and talk in ways you haven’t done, thought, acted, or talked before; PRAY!; So I followed this advice, too. Then it occurred to me: All of this is in Scripture. ALL of it. And more. People who know the Bible much better than I can tell exactly where, and the context, and related lessons, and so forth. So let’s just follow Scripture. And “we’ll be fine”. Of course, Scripture says much more. The most salient to me is from John 8:22-24 You are of this world; I am not of this world. This is often mis-quoted as, “.....be in this world, but not of it.....” My family’s and my message of Hope and Encouragement to you and your loved ones then is, “Read your Bible”! You’ll find all the hope, encouragement, and much more, there. “*But as for me and my house, we will serve the Lord*” (Josh. 24:15, NKJV)

-John Yarrington, Linh Thi Hoa Yarrington

Hello to all! A couple quotes to share: "If you want to, you can find a million reasons to hate life and be angry at the world. Or, if you want to, you could find a million reasons to love life and be happy. Choose wisely." "Just when life tries to overwhelm you, God's grace is there to pick you up." We miss everyone and hope that you are doing well. Stay positive and healthy!

-Carol & Gary Schwertz

In Loving Memory of Larona Kunselman:
