

St. John's Evangelical Lutheran Church
April Council Update

- Council is actively encouraging church members to bring issues/ideas to council for discussion in order to improve lines of communication. Please reach out and communicate to council with any thoughts/ideas/concerns/questions.
- We will be meeting with a Financial Advisor to discuss tax issues and financial questions.
- Many Property and Grounds projects are on the list including: masonry repairs, tree limbs, steeple window repair, security system upgrade, rooftop light repair, as well as updating Covid protocols with the groups that utilize the church space for their meetings.
- The Youth have been busy with their recent soup fundraiser as well as helping the Young Men's Group with Chowderfest and the Chicken Barbeque.
- Sunday School reopening was proposed with group classes running for the remainder of the school year.
- The Church Directory is being updated.
- Yearly envelopes are available in the office for pick-up.
- We will be keeping a record of how many people are attending which services.
- Refrigerators in the kitchen are plugged in and working!
